Participating in a Centering Prayer Group

At the conclusion of the Continuing Sessions, participants are strongly encouraged to start a new Centering Prayer group or join an existing one. These prayer groups support and encourage establishing a daily prayer practice. They provide an opportunity for Centering Prayer in a group setting and offer further enrichment for the contemplative spiritual journey. Centering Prayer groups usually meet on a weekly or bi-weekly basis. Local Centering Prayer Groups can be found on the local websites listed at www.cochapters.com

Centering Prayer

Centering Prayer is a receptive method of silent prayer that prepares us to receive the gift of contemplative prayer, in which we experience God's presence within us, closer than breathing, closer than thinking, closer than consciousness itself. This method of prayer is both a relationship with God and a discipline to foster that relationship. Centering Prayer is not meant to replace other kinds of prayer. Rather, it adds depth of meaning to all prayer and facilitates the movement from more active kinds of prayer into a receptive prayer of resting in God. Centering Prayer emphasizes prayer as a personal relationship with God and as a movement beyond conversation with Christ to communion with Christ.

The Centering Prayer Introductory Program

For those new to Centering Prayer, local Contemplative Outreach chapters offer a Centering Prayer Introductory Program that has two parts: an Introductory Workshop and four to six Continuing Sessions. To schedule an Introductory Program, contact a Contemplative Outreach Contact Person in your area. Listings can be found at: <http://www.contemplativeoutreach.org/contacts-usa> or on these local websites www.cochapters.com

The Introductory Workshop

The Centering Prayer Introductory Workshop familiarizes participants with the method of Centering Prayer and its conceptual background and offers two opportunities to experience the prayer. The workshop consists of four presentations led by Contemplative Outreach commissioned presenters.

1. Prayer as Relationship
2. The Method of Centering Prayer
3. Thoughts and the Use of the Sacred Word
4. Deepening our Relationship with God

The Continuing Sessions

Following the Introductory Workshop, participants are invited to attend four to six Continuing Sessions which provide support, more background and the time needed to establish a personal Centering Prayer practice. The Sessions also include the opportunity to share the initial Centering Prayer experience with others who have made a similar commitment.

Each Continuing Session is led by an experienced facilitator and includes a period of Centering Prayer and group discussion. Details regarding the Continuing Sessions will be offered by the Workshop presenter.

Scheduling of the Continuing Sessions is flexible and can be arranged to fit the convenience of group members. Sessions can be convened on a weekly basis, on a weekend or in one or two day retreats when distance and logistics make it difficult to meet weekly.
